

SMALL • SIMPLE • UNEXPECTEDLY VERSATILE

Rods, nets, lures... now you can mount them right to the frame. *Camping?* Hang a clothesline or keep a foodbag out of critters' reach. *Gardening?* Organize your toolshed. *On the road?* Keep your trailer wires from dragging. *Hard at work?* Add efficiency to your shop. With multi-purpose utility, our fasteners fit right in across a spectrum of situations.

Clip them into place by hand, or use the hardware provided for alternative applications. (Instructions inside.) Whether you're floating a river, using your hands each day, or just aiming to add a little order to your life, the **Stable-Solution Fastener™** fits the job.
